To Whom It May Concern:

Subject: LEED® V.4 Green Building Rating System Credits

LEED (Leadership in Energy and Environmental Design) Green Building Rating System® is a national standard for developing high-performance, sustainable buildings developed by the U. S. Green Building Council. This letter highlights the eligible LEED V.4 point contributions for National Guard Products.

MRc2 Building Product Disclosure and Optimization - Environmental Product Declaration (EPD)

National Guard Products is able to provide Type III Product Specific Environmental Product Declarations for its Threshold, Gasketing, Lite Kits, Louvers and Continuous Geared Hinge products. The EPDs can be found at the following link:

<http://www.ngp.com/epds/>

MRc3 Building Product Disclosure and Optimization - Sourcing of Raw Materials

National Guard Products is able to provide a third party reviewed corporate sustainability report that includes the environmental impacts of extraction operations and activities associated with National Guard Products supply chain. This report was created using the Global Reporting Initiative (GRI) Sustainability Reporting framework and satisfies MRc3 Option 1. The report can be found at the following link: <http://www.ngp.com/report/>

For Option 2 of the MRc3 credit, products purchased from National Guard Products are eligible to participate in the NGP Extended Producer Responsibility program, RE-NGP managed by National Guard Products.

Additionally for Option 2 of the MRc3 credit, raw materials utilized in and contained in NGP products average the following percentages of recycled content materials.

	Post Consumer Recycled %	Pre-Consumer Recycled %
Aluminum Thresholds, Rain Drip Guards	0%	28%
Architectural Bronze Thresholds	70%	25%
Stainless Steel Thresholds, Rain Drip Guards	25%	3%
Rubber Ramps	0%	0%
Gasketing with Aluminum Retainers	0%	21%
Gasketing with Bronze Retainers	52%	19%
Gasketing with Stainless Steel Retainers	19%	2%
Self-Adhesive Gasketing	0%	0%
Finger Guard 2248	0%	21%
Finger Guard 2252	0%	0%
Metal Edge/Astragal sets (Steel)	15%	5%
Stainless steel Edge/Astragal sets	25%	3%
Lite Kits & Louvers (Steel)	15%	5%
Aluminum Louvers	0%	28%
Stainless Steel Lite Kits & Louvers	25%	3%
Continuous Geared Aluminum Hinges	0%	28%
Stainless Steel Continuous Hinges	25%	3%
Aluminum Sliding Door Track Sets	0%	28%
Stainless Steel Sliding Door Track Sets	25%	3%

MRc4 Building Product Disclosure and Optimization - Material Ingredients

National Guard Products is able to provide product specific Health Product Declarations Product Specific for its Threshold, Gasketing, Lite Kits and Louver products. The HPDs can be found at the following link: <http://www.ngp.com/hpds/>

If you have any questions on our LEED V.4 product contributions, please feel free to contact me directly.
