ENHANCEMENTS

We've begun the modernization of our product portfolio with design modifications, material changes and a few product discontinuances that you should know about. This is the beginning of a multi-phase process that will bring you better products, better materials and a better customer experience.

PLEASE NOTE THAT THE INSERT MATERIAL COLOR WILL BE STANDARDIZED TO BLACK ON ALL ENHANCED PRODUCTS BELOW!*
***NOT APPLICABLE TO PRESS ON/SELF-ADHESIVE PRODUCTS OR BRUSH INSERTS.**
