SUPPLIERS,  
SOMEONE  
NEW  
ALWAYS  
ANSWERS  
THE

CALL US AND ENJOY EATING YOUR WORDS.

Service isn't about automation. It's about people. When our customers call, Becky, Sylvia, Ethel, Judy, Leigh, or Patricia gives them a friendly hello and the help they need. We're National Guard Products, and we actually like it when customers call.

The products you count on, the people you trust.
